

### Advice for patients with fracture or dislocations

You have had an injury and the Emergency Department/Minor Injury Unit care provider has referred your case to the Orthopaedic Trauma Triage Clinic. Your records will be reviewed virtually by a Consultant Orthopaedic Surgeon within the next 72 hours. Depending on the X-Rays and notes you will receive either:

#### An appointment to be seen in clinic

- If the Consultant Surgeon decides that you need further assessment or treatment you will be contacted (either by telephone or phone) with an appointment.

Or

#### A telephone consultation

- A specialist Trauma Nurse or Physiotherapist will call you to discuss your injury.

---

### Key points

- Please ensure the Emergency Department/ Minor Injury Unit reception staff have recorded your home and mobile telephone numbers
- Please answer calls from unknown numbers as this may be call from the hospital.

---

### Get in touch

Please get in touch via our trauma email if you have any queries about your injury:
